Clayton J. Lloyd - ANGUILLA

Phased Demolition of Old Terminal Building

During the period 15 December 2025 to 19 January 2026, a phased demolition of the Clayton J. Lloyd International Airport's old terminal building will take place. Measures put in place during this period are as follows:

- A fence line will be placed around the old terminal building to accommodate its demolition.
- A pedestrian and vehicle lane will be placed along the aforementioned fence line, demarcated by white lines airside.
- Ramp marshals shall be present for the parking of aircraft.
- Taxiway lines on the ramp, up to but not including the Hold Short line, will be blacked out.
- All aircraft over 7000kg MTOW shall be parked on the eastern portion of the ramp, including the concrete portion.
- All aircraft over 7000kg MTOW shall report to ATC once marshals are in sight, when entering the ramp before continuing to taxi.

Please refer to Attachment A.

END
